KSKidsMAP

Pediatric Mental Health

A program for primary care physicians
and clinicians in Kansas through
a telehealth network.

1-800-332-6262
wichita.kumc.edu/KSKidsMAP

KSKidsMAP is a partnership
between the Kansas Department
of Health and Environment and
the University of Kansas School
of Medicine-Wichita Departments
of Pediatrics and Psychiatry &
Behavioral Sciences.

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as a part of an award totaling \$2,134,666 with 20% financed with nongovernmental sources. The contents are those of the authors and do not necessarily represent the official views of, nor an endorsement by, HRSA, HHS or the U.S. Government.

How can we help?

KSKidsMAP supports primary care physicians and clinicians' treatment of children and adolescents with:

- ADHD
- Anxiety
- Depression
- Suicidal ideation
- Behavioral problems
- Poor school performance
- Learning disabilities
- And more

We provide:

- Support services through the toll-free Consultation Line
- Mental health and community resources
- Toolkits and best practices information
- Case consultation
- KSKidsMAP ECHO Clinic
- Wellness resources and support

Services and Supports

This program allows physicians and other clinicians in Kansas to connect with a social work care coordinator for referral information and mental health resources. The physician and/or clinician can also receive case consultation services from the Pediatric Mental Health Team, which includes a child and adolescent psychiatrist, a child and adolescent psychologist, a pediatrician.

The KSKidsMAP Pediatric Mental Health Team can provide recommendations and education based on best practices to screen, assess, diagnose and treat children and adolescents who are presenting with behavioral challenges.

The KSKidsMAP Consultation Line is open 8 a.m. -5 p.m. Monday-Friday, except for holidays. Any contact received after hours will be returned within the next business day.

What to expect from ECHO KSKidsMAP?

ECHO KSKidsMAP is a virtual clinic that will meet two times a month for case consultation and didactic learning on childhood and adolescent mental health needs in primary care settings.

ECHO KSKidsMAP provides:

- Free continuing education for participants
- Opportunities to network with providers across the state
- Ongoing support for clinicians

Visit our website at wichita.kumc.edu/KSKidsMAP for ECHO KSKidsMAP dates and registration.
